The City of Bay City is pleased to announce that a newly installed RV Dump Station is now open and available for use by the public. The charge for this service is \$10.00 per use (one RV, travel trailer, motorhome, etc.). At this time payment is only possible by cash or check, but an option for paying online or with a debit/credit card will be coming soon.

The RV Dump Station is located just west of the corner of 3rd and B Streets, with easy access off Highway 101 at Hayes Oyster Drive. (This is the north end of Bay City, near Bay City Kitchen, City Hall, the Library, and the Fire Station.)

This project was made possible thanks to funding provided by the Oregon Legislature and the American Rescue Plan Act (ARPA) in 2021. Further signage on the site will be possible thanks to Tillamook Coast Visitors Association's Wayfinding program.
